

Kuyahoorra Farmers' Market

Wednesdays 2:30 - 6:30 pm
Route 8 Poland
June 9th Through October 13th

Why buy local?

- Get the freshest food for you and your family
- Lower your grocery bills by buying food that travels a shorter distance (Most produce in the US is picked 4 to 7 days before being placed on supermarket shelves, and is shipped for an average of 1500 miles before being sold. With current fuel prices more miles equal high food prices.)
- Support our heritage and our community by supporting local farmers
- Know where your food is coming from and how it's grown
- Reconnect with local producers
